Date: June 2, 2015

To: Members of the Board of Trustees,
West Hills Community College District

Subject: Annual Report to the Board of Trustees

As Chairperson of the West Hills Community College District Citizens' Bond Oversight Committee I am pleased to submit this annual report to the Board of Trustees of the West Hills Community College District. As stated in the West Hills Community College District Citizens' Bond Oversight Committee Bylaws, Section 3.3. (a); this annual report states whether or not the West Hills Community College District (WHCCD) is in compliance with Article XIII A, Section 1(b) (3) of the California Constitution. It also summarizes the major topics dealt with by the Committee since the inception of the School Facilities Improvement District No. 1 (SFID-1/ Measure Q) bond.

Once again, I would like to thank my fellow Committee members for their time and efforts in ensuring that the SFID-1/ Measure Q bond funds are being utilized as outlined in the general obligation bond approved by the voters. I also wish to thank those staff members of the WHCCD who have continued to work with us to set up the processes to ensure that independent oversight of the bond project expenditures is possible.

As the voice of the Committee, I would like to state that the Committee looks forward to continuing its efforts to ensure that SFID-1/ Measure Q bond revenues are spent appropriately and to keep the community informed on the progress of the projects that involve bond funds.

Respectfully submitted,

Jose Ochoa, Chairperson

VI. Projects:

There are currently 17 various capital improvement projects ranging from utility upgrades to new construction of campus facilities budgeted through SFID-1/ Measure Q funds. The Completion Recap and revisions reports can be found on the Measure Q website (www.Measure-q.org).

As of December 31, 2014 the following SFID-1/ Measure Q projects have been completed:

#410 Interior Remodel Ph. 1	#411 NDC Site Electrical
#412 NDC Video Surveillance	#413 Land Acquisition Ph. 1
#416 San Joaquin Center Ph. 1	#417 Maint / Parking Ph. 1
#418 NDC Restroom	#419 NDC HVAC Phase 1
#420 Switch Replacement	#423 Switch Maintenance
#431 Maint / Parking Ph. 2	#444 Land Acquisition Ph. 2

Due to the lack of state funding i.e. Scheduled Maintenance (SM), Capital Outlay (CO) funding and the combination of earlier projected phases, some projects were closed.

As of December 31, 2014 the following SFID-1/ Measure Q projects have been closed:

#443 Environmental Research	#445 Maint / Parking Ph. 3
#446 Utility Maintenance Phase 3	#456 Mendota Center Ph. 3
#457 Tranquillity Center Ph. 3	#458 San Joaquin Center Ph. 3
#459 Community Field Sports Ph 2	

VII. Audit:

As dictated by state law, the SFID-1/ Measure Q bond requires a financial and performance audit which examines the usage of the bond funds. The firm of Vavrinek, Trine, Day & Company, LLP audited the SFID-1/ Measure Q bond program for the fiscal year 2013 / 2014 ending June 30, 2014.

The audit report fiscal year 2013 / 2014 was presented to the Committee during its June 2, 2015 meeting and the audit was supportive of the program and its management.

The auditor's report gave an unqualified opinion that the financial statements fairly presented, in all material respects, the financial position and changes of the SFID-1/ Measure Q bond fund in conformity with accounting principles and generally accepted accounting standards.

In regards to the performance audit, the auditor's report noted no instances of noncompliance with the terms of Prop 39 for SFID-1/ Measure Q. Nothing examined came to auditor's attention to indicate that WHCCD didn't implement appropriate management controls to ensure the bond proceeds are administered economically, efficiently and effectively.

VIII. Statement of Compliance:

Based on the information provided by WHCCD, the Committee finds that as of this reporting for SFID-1/ Measure Q from July 1, 2013 to June 30, 2014, that WHCCD is in compliance with the standards of Article XIII A Section 1(b) 3 of the California State Constitution and the terms of the original bond ballot.
